**Subject:** In re: Nomination of Auden Grogins to the State Superior Court

To whom it may concern –

Auden Grogins has, through her vote for what is now Public Act 13-3 (as amended by Public Act 13-220) demonstrated that she lacks both proper understanding of and required deference to the Constitution of the State of Connecticut, and therefore is not qualified to perform the duties required of a Justice of the Superior Court.

I respectfully request that you deny her elevation to the position of Judge of the Superior Court.

Kind regards,

Brian Corbino
